'Bringing faith and education together'

'Letting our light shine' (Matthew 5:16)

**Our value this term is RESPECT
Treat others as you want to be treated.**

[Luke 6:31]

We have reached the midpoint of our first term! It has been quite a celebration with European day of Languages on Thursday. The children had such a fun day – all around school there were so many different activities from around Europe – counting, fact files, researching, food tasting, art work and dressing up!

We've had parents in school this week – our Oak Class parents seeing phonics in action and our Year 6 Sycamore parents evenings starting that dialogue about secondary school applications.

Teachers have been developing their knowledge and networking to support the development of our curriculum priorities. Mrs Demirelli – our Maths lead – was at the Kent Maths Hub conference as we move into the 4th year of sustaining Maths Mastery in our curriculum.

Miss Dennis has been keeping up to date with English Curriculum developments.

I've also been out at Church School Leaders meetings and with our Sevenoaks Partnership Schools where we've been planning cross school support and ideas for the children.

Applications for new Governor posts has now closed and soon I will be able to share more news on appointments made to support the school in its strategic overview for sustained improvement.

Let's hope the weather dries up a little for the weekend!
