'Bringing faith and education together'

'Letting your light shine' (Matthew 5:16)

Our value this term is HONESTY

Let us not love with words nor speech but with actions and in truth.

[1 John 3:18]

The Sun Is Shining!

It has been a long time coming but finally we've had a run of sunny days! This certainly helps inspire outdoor learning and wonderful to see and hear learning happening in all areas of the school both in and out!

Hopefully the weather will hold so can I take this chance to remind you to ensure the children apply sun-cream before school and you take time to teach them how to apply it if they put it on themselves in school. Don't forget that water bottle – preference being a sports cap one – some of the 'trendy' ones take up a lot of the children's desks! And a hat is also advised!

Geography and our Governors!

Thank you to some of our Governors who came into school to see Geography in action! I've heard some great feedback from them, which included, brilliant geographical, vocabulary and lots of retrieval. They were also impressed by the practical approach to geography we have in school – well done everyone!

Good Luck to our Year 6 Children!

Our Year 6 children have been working very hard on their retrieval, as they head towards their SATS Week next week. Four days of tests are coming their way and we wish each of them good luck!

After that there are alternate plans for them as they move towards their last term in primary school, with lots of opportunities to show other ways they can also succeed!
