Our value this term is HOPE

No-one who ever hopes in you will ever feel shame.

Final Term of the school year!

It is hard to believe but this week marked the last term of the school year. There is only six weeks and a few days to go. The last term is often the children's favourite with lots of sunshine and so many exciting things planned. Let's just 'HOPE' (our value of the term!) the weather plays ball.

It just about did this week with our three youngest classes on our annual trip to Camber Sands. They came back full of stories of playing in sand, splashing in water, meeting the lifeguards and of course what seems now to be the infamous seagulls! It is certainly a day the children remember in their time at St George's!

There are a lot of sports events planned both in and out of school but we are looking forward to our Sports Day (planned for Wednesday 26th June). Traditionally this is a whole day of fun for all the family to come along and watch. To make it a really colourful event this year why not come wearing the colour of your children's houses too!

Always keen to listen to children's ideas one has been touted by some of our Year 6 children. They fancy a parent's house relay event – there would need to be a separate mum and dads relay event. You need a team of four - if you would like to enter, please contact Karlee Arnavut on our reception desk giving her your name and your child's name so we can make sure you run for the right house!

Special Mention!

Many congratulations to Miss Huggett for planning our Fun Run Sports For Champions. It was great to see so many children joining in and dressing up for the occasion – it has really sparked a sporty term off – and we are looking forward to meeting our Paralympian in school very soon!

Good Luck Mrs Chin!

We'd like to pass on good luck to Mrs Chin as she moves on from St George's – she has been a super part of our admin team behind the scenes for 3 years and wish her well in what she does next!
